IN RE:

PETITION: Immigrant Petition for Alien Worker as a Member of the Professions Holding an Advanced Degree or an Alien of Exceptional Ability Pursuant to Section 203(b)(2) of the Immigration and Nationality Act, 8 U.S.C. § 1153(b)(2)

ON BEHALF OF PETITIONER:

INSTRUCTIONS:

Enclosed please find the decision of the Administrative Appeals Office (AAO) in your case. All of the documents related to this matter have been returned to the office that originally decided your case. Please be advised that any further inquiry that you might have concerning your case must be made to that office.

If you believe the AAO inappropriately applied the law in reaching its decision, or you have additional information that you wish to have considered, you may file a motion to reconsider or a motion to reopen with the field office or service center that originally decided your case by filing a Form I-290B, Notice of Appeal or Motion, with a fee of \$630. The specific requirements for filing such a motion can be found at 8 C.F.R. § 103.5. **Do not file any motion directly with the AAO.** Please be aware that 8 C.F.R. § 103.5(a)(1)(i) requires any motion to be filed within 30 days of the decision that the motion seeks to reconsider or reopen.

Thank you,

Perry Rhew  
Chief, Administrative Appeals Office

**DISCUSSION:** The Director, Texas Service Center, denied the employment-based immigrant visa petition. The matter is now before the Administrative Appeals Office (AAO) on appeal. The appeal will be dismissed.

The petitioner is a steel company. It seeks to employ the beneficiary permanently in the United States as a business development analyst. The petition requests classification of the beneficiary as a Member of the Professions Holding an Advanced Degree or an Alien of Exceptional Ability pursuant to section 203(b)(2) of the Immigration and Nationality Act (the Act), 8 U.S.C. § 1153(b)(2).<sup>1</sup> The director determined that the beneficiary did not satisfy the minimum level of education stated on the labor certification and denied the petition accordingly.

A review of U.S. Citizenship and Immigration Services records indicates that, subsequent to filing the instant petition, the alien filed a Form I-485, Application to Adjust Status, receipt number [REDACTED], which was approved on January 10, 2012. Because the alien has adjusted to lawful permanent resident status, further pursuit of the matter at hand is moot.

**ORDER:** The appeal is dismissed based on the alien's adjustment to lawful permanent resident status.

<sup>1</sup> Section 203(b) of the Act, 8 U.S.C. § 1153(b), states in pertinent part:

(2) Aliens Who Are Members of the Professions Holding Advanced Degrees or Aliens of Exceptional Ability. --

(A) In General. -- Visas shall be made available . . . to qualified immigrants who are members of the professions holding advanced degrees or their equivalent or who because of their exceptional ability in the sciences, arts, or business, will substantially benefit prospectively the national economy, cultural or educational interests, or welfare of the United States, and whose services in the sciences, arts, professions, or business are sought by an employer in the United States.
